

# i-Ready Access from an iPad

To Access iReady from your iPad, please follow these steps:

First, make sure your iPad is updated. The app will work with 10.3 or greater.

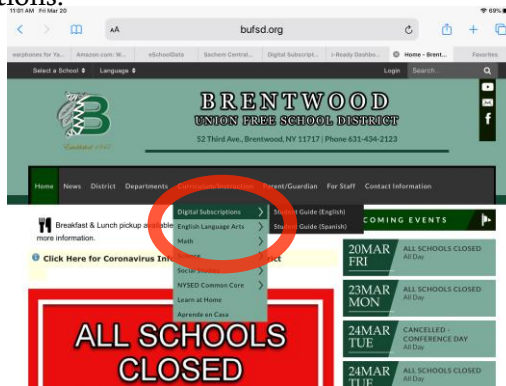

To check, go to General and select Software Updates. You can update to the newest software version.

Go to the App Store and Download the I-Ready App

Close the App.

Next, go back to the District Website, [www.bufsd.org](http://www.bufsd.org) through Safari, and select Curriculum Instruction Digital Subscriptions.

Select i-Ready from the Digital Subscription page, you will need enter your district [username@bufsd.org](mailto:username@bufsd.org) and district password. The App opens.
